

Little Miami Marching Band Plan for COVID-19 (Summer 2020)

Based on OHSAA Guidelines for Sports, NFHS Guidelines for Marching Band, and other schools' plans.

General Protocol for Band Members and Directors:

- Temperature checks before practices. Parents will report student temperatures before the start of band each day using a Google Form.
 - Anyone with a temperature above 100 degrees must stay home.
- Members will maintain 6' spacing at all times until restrictions on mass gatherings are removed.
- If directors or staff need to move within the 6' area to correct a student's playing position or posture, or to repair an instrument, they will do so quickly, then move out of the 6' zone.
- Hand Sanitizer will be made available on the field and in the band room.
- Individuals will have the option to wear a mask when they are not playing a wind instrument.
- Parents and spectators will not be permitted in the rehearsal area except for 1-2 parents who will sit on the sideline during marching rehearsals to assist with any students who have to sit out of rehearsal.
- When possible, rehearsals will take place outside.
- Students will not congregate or "hang out" before or after rehearsals.
- With the exception of percussion and tubas, students will take their instrument and music home between rehearsals to limit the number of students needing to enter the band room.
- Students will not share any equipment, including but not limited to: instruments, drumsticks, water bottles, music, binders, pencils, etc.
 - We are asking each family to donate a case of water to be used when students need more water after what they have brought from home is gone (not in place of personal water bottles from home).
- Marching fundamentals and drills will be conducted using a minimum of 4-step spacing, which maintains a distance of 90 inches (7.5 feet) between students. Dots will be painted on the marching field to indicate 4-step spacing.
- **If a student, staff member or volunteer has been out of state or exposed to anyone who has tested positive for COVID, they must quarantine for 14 days and can get tested for COVID after 10 days.**

Little Miami Marching Band Camp 2020

Week 1 Canceled

Week 2: July 27 through July 31

- All wind players report directly to their assigned rehearsal area on the marching band practice field (see diagram on right side)
 - Area 1: closest to tennis courts on marching band field
 - Area 2: furthest from tennis courts on marching band field.
 - No mingling between groups before, during or after practice.
 - Students who drive may park by the practice field.
- Staggered sectionals
 - 8:00-9:00 a.m.
 - Altos & Mellos (11 students) - Area 1
 - Flutes (12 students) - Area 2
