

Corporate Sponsorship Opportunity

Little Miami Panther Band is seeking sponsorship for our upcoming season. Over the last few years our “Band in Demand” has grown not only in talent but also our reputation in the community. Over 90 students have committed to be part of the Little Miami Marching Band for the 2018/2019 school year. "The Band in Demand" needs your help. Because of the rapid growth of this program, we are reaching out to our business community for their support.

The Little Miami Marching Band performs at all home football games and the majority of the away games, unlike many high school bands today. They are there to entertain the crowds at halftime and cheer on their Panther Football team. They also perform at various Band Festivals, and several local parades (the Morrow Memorial Day Parade, Red’s Opening Day Parade, and the Cincinnati St. Patrick’s Day Parade). They are highly requested at community events throughout the year.

The concert and symphonic bands perform several free concerts during the school year that are open to the public. During the winter months, the marching band becomes a pep band for our basketball teams, performing at some of the home games.

The Little Miami Band Boosters not only support our high school band program but also the band programs throughout the Little Miami School District.

Here is how you can help and what you will receive in return.
