

Parent Participation Agreement

To maintain our current level of performance and continue with a successful band program, it is necessary that all families pay their band fees in a timely manner and participate in band activities throughout the year. By "families" we mean parent, grandparent, aunt, uncle, family friend or anyone who will be responsible for meeting that obligation.

We realize families have different priorities, beliefs, opinion and preferences when it comes to fund-raising activities. But one thing we must all agree upon is that each of our sons/daughters benefit from the time, talents and money given by the LMBB to their band experience. Therefore, it is only fair and reasonable to expect each and every family to work towards the LMBB goal of ensuring the best possible band experience for all.

Each Family will be required to complete the Marching Band Commitment Pledge Form (attached) for the year. A list of volunteers will be published so that everyone can see areas are properly staffed and those that are in need of further volunteers. If any activity does not have enough support, then LMBB will have no choice but to cancel that activity resulting in a possible loss of revenue for the year ultimately forcing a cut in expenditures which will have an effect upon your son/daughter's band experience. If everyone works a little, then a few will not have to work a lot, and ultimately our children will reap the benefits. Thank you in advance for your cooperation.

Please Note: The Parent participation Agreement is per family regardless of the number of children in the band.

Please review the accompanying descriptions of Band events, committees and fund-raising activities to assist you in completing your Marching Band Commitment Pledge Form.
