

To find the band room at the high school

 Green star is the event entrance – go down hallway passed the cafeteria, then turn right to go down hallway between gym and auditorium, then left to music dept hallway. The band room is the second door on the right.

 Red star and arrow is the outside door directly to the band room. It is around the back of the building. The yellow circle is the band trailer which is parked next to the loading dock. This is the best way. Event doors may not always be open.
